Examiner: Not Assigned

Filed: February 14, 2002

RECEIVED

MAR 15 2004

For: Multiple Device Management
Method and System

Technology Center 2100

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Alexandria, VA 22313-1450

Pursuant to 37 C.F.R. §§ 1.97 and 1.98, the reference listed on the enclosed Form PTO-1449 is submitted herewith for consideration by the Examiner in the examination of the above-identified patent application. The full consideration of the reference in its entirety by the Examiner is respectfully requested and encouraged. Also, it is respectfully requested that the reference be entered into the record of the present application and that the Examiner place his or her initials in the appropriate area on the enclosed Form PTO-1449, thereby indicating the Examiner's consideration of the reference.

The submission of the reference listed on the Form PTO-1449 is for the purpose of providing a complete record and is not a concession that the reference listed thereon is prior art to the invention claimed in the patent application. The right is expressly reserved to establish an invention date earlier than the above-identified filing date in order to remove any reference submitted herewith as prior art should it be deemed appropriate to do so. Further, the submission of the reference is not to be taken as a concession that any reference represents art that is relevant or analogous to the claimed invention. Accordingly, the right to argue that any reference is not properly within the scope of prior art relevant to an examination of the claims in the above-identified application is also expressly reserved.

The Information Disclosure Statement is believed to be filed before the mailing date of a first Office action on the merits. Accordingly, no fee is owed by applicant. If, however, an Office action has been issued, the Patent Office is hereby authorized to charge any underpayments associated with this submission to Deposit Account 50-1618.
